Chantal,

Armrests:

For the CoC of the armrest I am going to have to remake it I misplaced the one we sent. I email to you tomorrow as I am out of the office.

Basket Nets:

Please send the nets back, we will try our best to make the length shorter by 0.75". But first can you ask the engineer if the 0.75" difference is ok? That way we can save the trouble of sending it back and forth.

****It is very tough for us to get the exact length as the drawing as the net shrinks and varies, when we sew the inside 1" cross boxes****
